

Journey into the Amazon Premise:

In 1925 famed English explorer and archeologist Prof. Nathaniel Grey, along with his son William have gone missing in the Amazon on a quest to find the legendary city of "El Dorado". Retired explorer/cartographer Samantha Grey takes the search for her husband and son into her own hands. Along with her two young daughters Susanna, Betsy, and Governess Olga. Together they embark on an incredible adventure into mysterious jungles full of strange creatures, exotic animals, fearsome tribes and an ancient evil! It's a journey into the unknown, a journey to save their family, a journey into the Amazon!
