SPONSORSHIP & DONATION OPPORTUNITIES

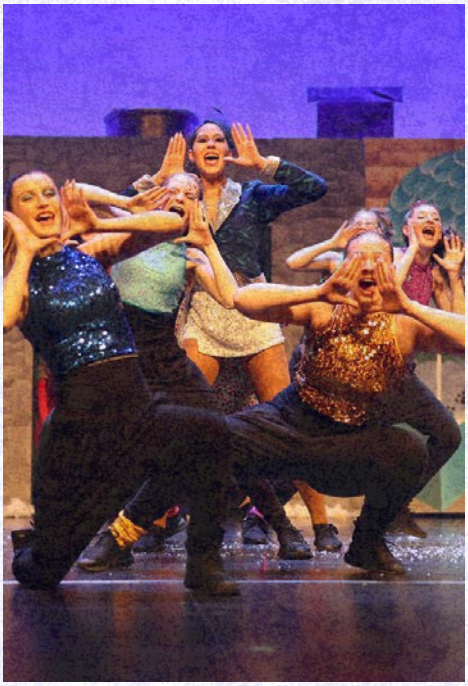

FALL 2026

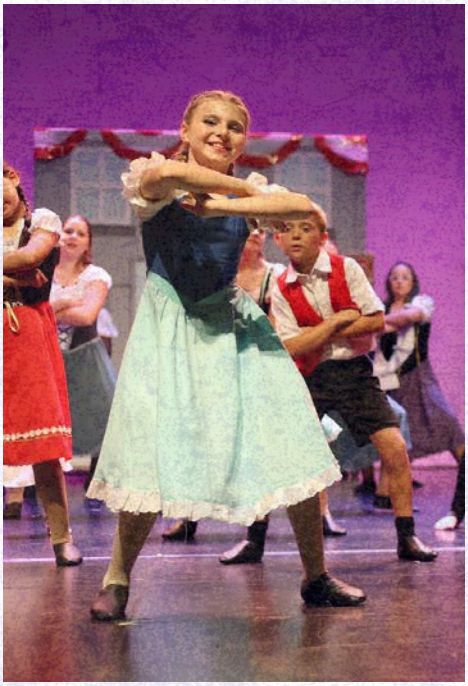

ABOUT US

Windsor Dance eXperience (WDX) is the *only* dance theatre company in Windsor. As a volunteer-led, non-profit dance theatre company, WDX provides the local community with an accessible outlet for creative expression and physical engagement through dance. We enrich our community by creating engaging productions that bring people together—both on stage and in the audience.

WDX has produced over 80 shows and currently brings together more than 100 members, sharing stories through diverse styles including jazz, modern, ballet, hip hop, and more. United by a passion for live theatre, WDX welcomes individuals of diverse backgrounds and experience levels. Our productions offer Windsor audiences a unique form of entertainment, while providing performers with an affordable and accessible dance experience that can be difficult to find elsewhere.

Beyond performance skills, WDX members build confidence, form meaningful connections, and grow through teamwork and collaboration. All of this takes place in a supportive, positive, and inclusive environment. Every production is held to a high standard, creating an exceptional experience for both our performers and audiences.

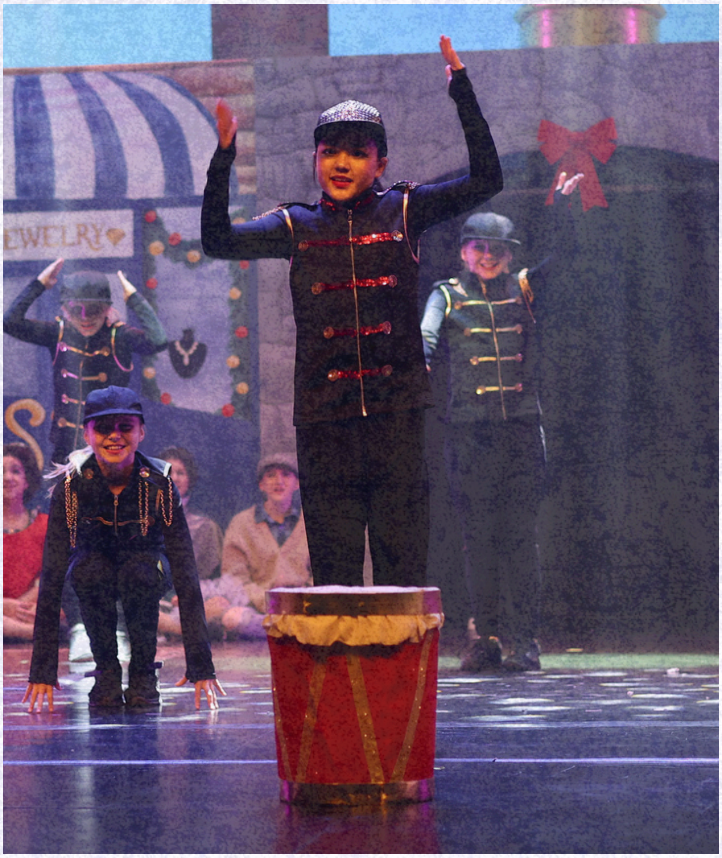

THIS SEASON

Our Holiday 2026 production, **Land of the Beats**, is a unique original production, not a pre-packaged show. From the soundtrack, costume and set designs, to the creation of new choreography, every element is uniquely developed by WDX. While The Nutcracker is a traditional holiday classic, our version kicks it up a notch by bringing the story to the streets in a high-energy hip-hop production. Instead of a giant Christmas tree, the stage becomes an urban alley filled with and scaffolding, where dance crews of all ages compete for the Nutcracker trophy.

After a confrontation with the Rat Pack Crew, the Nutcracker comes to life, saves Clara, and transports her to the Land of the Beats, where she meets DJ Sugar P and her Cavalier. The production will showcase breaking, swing, vogueing, and Latin dance alongside WDX favourites like jazz, hip-hop, and contemporary.

WHY SPONSOR WDX?

As a non-profit, we rely on sponsors and donors like you. WDX is known for its innovative choreography, elaborate costumes, creative set design and meticulous props. This would not be possible without the support of our business community. Each year, the generosity of our corporate and small business partners helps to bring our exciting productions to life.

The Benefits of Sponsorship

Windsor Dance eXperience sponsorship benefits package includes:

- Acknowledgement in publicity material
- Advertising space in show programs
- Tickets
- Our productions consistently sell out giving excellent reach for your business and your sponsorship enhances your reputation as a patron of the arts and a supporter of creative expression.
